

COLORBOND® GARAGE DOORS

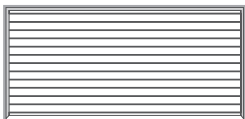

Heritage sectional garage door in Colorbond® Surfmist®

Enhance the exterior of your home with a Colorbond® garage door. Our Colorbond® range of colours are designed to complement any outdoor décor or architectural style, and increase the curb appeal of any home. Available in five attractive designs and a diverse range of stylish colours and finishes, personalising your perfect Colorbond® sectional garage door has never been easier.

Sectional garage doors have exceptional weather-resistant qualities. They are resilient against normal wind and dust conditions and come with heavy duty aluminium bottom rails containing PVC weather seals, so you can trust that the precious contents of your garage are protected at all times.

The strength of Australian steel.

Made from only the high quality Australian BlueScope® Steel, our Colorbond® garage doors offer all the strength and peace of mind that you have come to expect from Steel-Line garage doors. Proudly manufactured right here in Australia, these garage doors are built tough enough to endure the extremes of Australia's harsh weather conditions.
